I don't really have an answer for you, but I'm sure this is a problem that other people have as well. I think the game needs to be made less serious because people will not want to spend money on fake money (robux) if they know there's no real value behind those items they purchased with their fake money. The best way to accomplish this would be to make hats, shirts, etcetera for gamers who spend more than a certain amount of money.

ROBLOX has official clients for Windows, macOS, Linux, iOS, Android, Xbox One, and PlayStation 4. ROBLOX also has a game engine called "Build" which can be downloaded for free to those wishing to develop games for their website. Although not officially supported by ROBLOX themselves, the client source code is also available on GitHub. As such, there are unofficial ports of ROBLOX to other platforms not supported officially by ROBLOX such as Xbox 360, Raspberry Pi and Tizen. An early attempt at an iPhone port in 2021 was unsuccessful due to concerns over the stability of the platform and a lack of toolchain support.

On December 10th 2021, ROBLOX released another update where players could join groups and wear clothes representing their group on their backpacks. However, yet again it was abused by many users who used the feature for monetary gain. As a result of this, ROBLOX removed the functionality and shut down the "ROBLOX Backpacks" section on their website. On May 19th 2021, ROBLOX updated its backpacks feature which allowed players to join groups.[77]

On August 15, 2021 (12:00 PM), ROBLOX released a new website design. This redesign adds a many features and improvements such as new search function, expanded news section, easier access to games and groups/communities, expanded mobile version of the site, ability to message anyone on the website regardless of whether they are a user or staff/trade with users without the need to add them first (members must have this feature enabled), expanded trades panel with detailed card information, ability to cancel trades before they are completed when there are no funds involved on either side of the trade to prevent scams that involve giving out items for free and getting items or money in return but never giving back the items that were given.

Blocks are awarded when the user is rewarded items from certain games, such as VIP and daily bonus. They can be exchanged for ROBUX. The amount of ROBUX gained from converting blocks depends on how much you have, but the minimum is 10 ROBUX per block; for example, if you have 300 blocks, you will receive 3,000 ROBUX (300 x 10). In this way, players can use blocks to obtain ROBUX without having to purchase a Builder's Club subscription.

Rated 4 out of 5 by Anonymous from Great Game, but Expensive ROBLOX is one of the best games I've played on my computer, but it is very expensive. It's not only expensive, but it's time consuming to get points for what you want in the game. Overall, I would recommend this game to people who like games that involve creativity and imagination in a game. Rated 5 out of 5 by Anonymous from Best Game Ever ROBLOX is one of the best games ever. I think that everyone should play it, it's great for all ages!

This one is a really annoying method to get free robux but what you can do is take advantage of the events. If there is an event, then you should grab your friends and start playing as well. Once you play for a certain amount of time, then you will get a lot of free robux. The more friends that are playing during the event, the more free robux you will be getting.

Roblox had an accident with the site in early July 2021 when it was down for several days causing some players to be unable to log onto their accounts and play. The site's status was displayed as up by Roblox staff after a few days but only some experienced players were able to log on within those few days.

ROBLOX uses cookies, a small piece of data containing a unique identification number that is sent to the user's browser from the web server and stored on the user's computer hard drive. By storing on the hard drive, ROBLOX is able to recall user preferences and settings, such as game scores or user names. ROBLOX uses cookies to monitor how users use the platform as well as how effective its ads are at converting users into paying customers.[3]

The canonical website for Roblox is roblox.com, but many unofficial websites have been created due to the Roblox website's outdated and limited features. Some of these sites include ROBLOXHQ.com, ROBLOXFanSite.com, ROBLOXFanZone.com, ROBLOXAlbum.com, and ROBLOXFanGallery. These websites have been shut down on multiple occasions due to copyright issues or because they did not comply with the Roblox Terms of Service (ToS).[63] As of March 11, 2021, only the official website will be used for legal purposes by Roblox.

ROBLOX has also been compared to popular game Minecraft. In many ways, they are similar; both games have been developed by one company (Tencent) and are usually sold on the same platform (Windows, OS X, iOS, Android). Another close similarity is that they both have their own in-game currency system. However, Minecraft has a different style of gameplay relating to platforming; while ROBLOX players build and destroy using building blocks, Minecraft players explore a world.
