They told me their account was hacked and that they could fix it for me if I give them one of my item. So I gave them one and they scammed me. Another problem is when people are posting comments and other players comment back at them about it. There is a lot of spamming going on, but the worst part is there is a lot of inappropriate content that is being made like adult themes, swearing, and inappropriate skins.

The first iteration of the logo consisted of an orange square that displayed three green horizontal stripes, each separated by a white space. The stripes were arranged in a way that would yield nine pixels when all three were equally spaced. A basic version of the logo was used until 2021.

I like roblox but it is still not better than minecraft in my opinion because minecraft have so much stuff, people can do a lot of stuff. I think Roblox needs to get a lot of money so they can improve more stuff than they already got. I love roblox but I still think that it could be way better, so here is some of my ideas 1. It should have better graphics 2. It should have better game servers 3. There should be more new games, but there is a thing what I don't like about roblox is that the games are kind of the same every single time, and you end up playing them too many times 4. The games should either really get harder or really easier
