It is important to know how hackers gain access to Roblox accounts because of its impact on society. Hackers love discovering new ways to hack into people's accounts and bypass security measures that have been set up by Roblox. In order for this problem to be solved, it is not just up to Roblox but also the users who play it as well. Roblox needs to be more active in providing information on this issue and what hack protection measures are available to its users. Roblox also should be alerting people when they are hacking or when their accounts have been hacked.

Roblox is involved in a lawsuit concerning child safety on the Internet. On September 17, 2021, two brothers filed a lawsuit in the United States District Court, Southern District of California against Roblox Corporation and its founder and CEO David Baszucki. The suit alleged that the defendants failed to protect their nine- and thirteen-year-old sons from inappropriate content on Roblox that resulted in emotional distress. The suit also accuses the company of negligence for failure to monitor potentially harmful content and failure to institute parental monitoring measures. The case is known as "McDonald v. Roblox".
