On December 20th, 2021, ROBLOX announced that they would be adding system tokens to enable their users to "pre-order" an item before it is put on sale. This way users can give feedback and ROBLOX could make changes if necessary.[26]. In late 2021 when the game was seemingly more popular than ever, numerous reports were made about a player called "unikraken," as well as his group of friends he allowed in his places. This user was not banned from the site for a long time, which attracted hordes of people to his server. The servers would become infested with bots, cheats, hackers and other fraudulent activities that it slowed the game for everyone. These servers have since been taken down and ROBLOX has removed as much of these malicious players' information as they could.[27]

In June 2021, ROBLOX introduced their simplified privacy policy and terms of service. Under this policy, all private chats were deleted upon logging out.[4] However, any game-related chats will remain in-game. Users are able to delete their own game-related chats, but deleting a chat does not automatically delete the messages or comments within that chat.

Rated 5 out of 5 by Anonymous from The best game ever! ROBLOX is one of the greatest games I've ever played. It lets you make your own adventures with your friends or in single player mode! This game I'd give a 10/10 because you can build anything you want, and there are still many things to do. For example, if you're tired of building things, there are games to play on Roblox. You can be a police officer, a fire fighter, or even an architect! Roblox is a truly awesome game that needs to be experienced!
