DASHBOARD

The screenshot shows a web browser at <https://localhost:44324>. The dashboard header includes 'SensorNET', 'Status', 'Versions', and a user greeting 'Hello rene@qvist-it.dk!' with 'Log off' and 'System' links. The main content area is titled 'Alarm(s) Sensor NET' and contains a table with two rows of alarm data. Below the table is a speaker icon with a mute symbol and a green 'Connected' status bar. The footer includes a 'LOGO PENDING' placeholder, copyright information '© 2024 - SensorNET Application', and the last update timestamp 'Last update: 27/02/2024 - 10.25.51'.

Name	Description	Alarm type	Timestamp
nyt navn	descescrip22	Missing	309359 minutes
